

BRISTOL BATH RAILWAY PATH

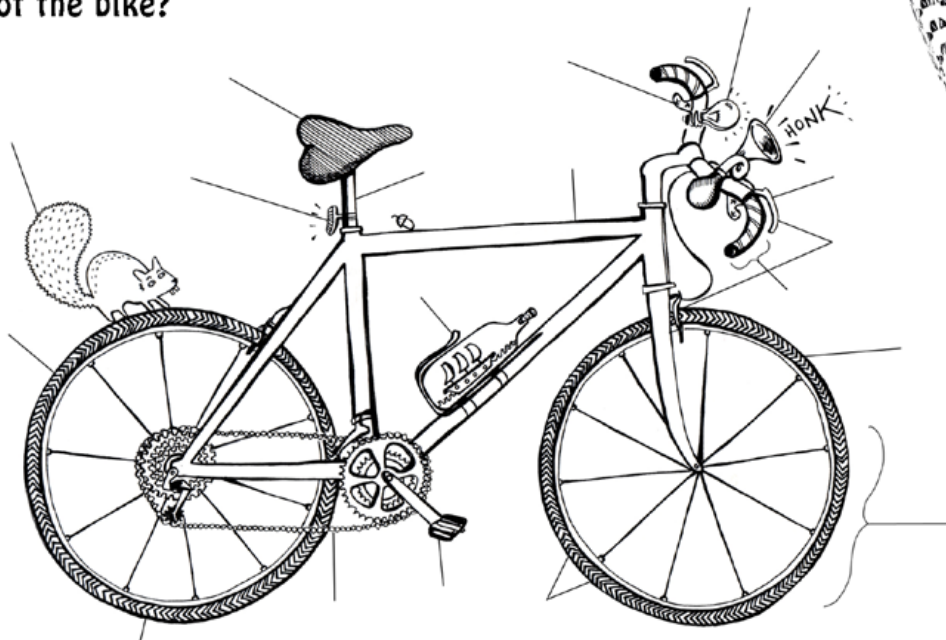

SPRUCE UP YOUR SPOKES

MAKE HANDLEBAR STREAMERS

Can you label the parts of the bike?

- SADDLE
- SPOKES
- CHAIN
- TYRE
- CASSETTE
- REFLECTOR
- HORN
- LIGHT
- BRAKE
- FRAME
- PEDAL
- BOTTLE HOLDER
- HANDLEBARS
- WHEEL
- GEAR SHIFTER
- SEAT POST
- DERAILLEUR
- STACY THE SQUIRREL?!

Decorate your Bike!

Is your bike in need of a bit of jazz? By using some simple tricks, you can get it looking bike-eautiful! ON THE SPOKES you could wrap pipe cleaners; straws or stick on cardboard shapes. You could also make HANDLEBAR STREAMERS by tying ribbons, threads or strips of plastic bags to an elastic band!

Can you write your name? Or draw a big, smiley face?

Do all tyre tracks look the same?

MAKE BIKE ART! Cycle through a puddle or some mud... can you make a pattern with your tyres? Make a drawing! Or write a secret message!

Ever thought about having a SLOW RACE? Going fast is one thing, but trying to go slowly on a bike is pretty tricky too! Set up a start and a finish line (not too far apart). Who can finish the race slowest?

YA OO?

WHY COULDN'T THE BICYCLE STAND UP BY ITSELF?

1, 2, 3 COUNT!

Find a bench along the pathway and see how long it takes to count 20 walkers or cyclists passing by. Team up with a friend and they could count bikes, while you count walkers. Who will win? Make it extra tough by counting dog walkers, red items of clothing or people wearing hats.

A: Because it was TOO TIRED! (2 tyred!)
